

# Prayers for CDC Classrooms

Here are a few ways you can pray for our Child Development Center classrooms this year.

## I'M PRAYING FOR

### Relationships

Help them make new friends and be kind to one another. May their friendships be full of fun and bring out the best in them.

### Development

As they grow, play, and learn this year, cover them with Your love and protection. Help them keep going, even when something is hard.

### Care

May this classroom be a place of safety, belonging, and love, where each child feels seen, celebrated, and deeply known by You.

### Support

Bless their teachers and helpers. Give them patience, wisdom, and joy as they guide and care for these little ones.

### Well-Being

For any little hearts that feel worried or afraid, bring Your peace.

### Curiosity

Give them courage to try new things, even when it feels a little scary. Grow in them a love for learning and curiosity about the world You've made.

### Safety

Keep them safe from danger and keep them healthy from sickness this year. Let this year be filled with fun and laughter.

### Faith

God, help them grow in their faith this year. Even in doubt or struggle, anchor their heart in Your truth and remind them they are never alone.
